

Carolina Biological's Science Bits Implementation Plan

Science Bits is available through any web browser. Each class will provide a roster of students and teacher(s) with login information. Each login is unique.

Professional Development

What professional development will you include with purchase?*

Professional Development (training) is provided as a ½ day (2-3 hour) session and is free of charge for orders of \$20K or greater. An additional follow up ½ day session (2-3 hours) can also be provided as either an online, or in person session with the district's discretion.

What support will you include for the life of the adoption?*

A daily training rate of \$1500 plus expenses for follow on training delivered onsite. Additional online, or virtual sessions, can be provided as requested at no additional charge.

Provide details and pricing for additional professional development options T

\$1,500 per day plus expenses on site.
